

Here We Come SES WELCA Convention Huntsville 2024 !!

This year will bring us lots of fun opportunities. We are anxious to see you and hope you will be able to join us at the **Meet and Greet** Friday evening. There will be prizes, too!

We hope to share new ideas with each other in preparation for a great 2025.

Please ask each congregation to prepare to share a brief description of a project they have done through the year. Then we will ask them to send a brief blurb (see below) and a pic that we can upload to our new website.

We'll be launching "seswelcasisters.com" right after our convention!
