REMINDERS FOR 2024 SPRING CLUSTER MEETINGS:

1. 2024 is the year we elect Members at Large in each Cluster. Terms are for 3 years and the Member at Large is eligible to serve a second 3 year term.
2. According to our Synod Constitution, ½ of Cluster Members at Large serve on the Nominating Committee each year. For 2024, it will be those in even numbered clusters (2, 4, 6, & 8). The Board person assigned to the Nominating Committee will be in contact early 2024. We will determine at that time who will be the Chair. The Chair will present those nominated, including anyone nominated from the floor, before voting for each position. We will be electing a Vice President, Secretary, and Board Members this year.
